USE OF COMPUTER AND INTERNET FORM

I, _____, a student of CAAST,

- understand that the internet service is registered to CAAST
- understand that access to the internet is restricted to supervised school activity only, and if found guilty of accessing the internet without supervised permission, may be in jeopardy of suspension from school
- understand that private use of my personal Wi-Fi data services is restricted to school approved activities while on campus
- understand that I will not use any of the school's computers unless instructed to by a teacher
- understand that abuse, misuse, changing of software and/or hardware will NOT be tolerated, and if found guilty of same, may be in jeopardy of being suspended from school
- understand that if there is any undue damage done to any of the school's computers, the charge of repair will be charged to my school account.

By signing below, I agree with and will abide by all of the above mentioned.
