TECHNOLOGY CAAST
CHRISTIAN ACADEMY OF AR

Christian Academy of Arts, Science and Technology (CAAST) is a secondary school for boys and girls which offers a high level of educational needs. With a commitment to uphold the values of the Seventh-day Adventist (SDA) church, all students will receive a balanced education - "hands-on" work programs, excellent academics, intermingled with a variety of religious programs and many recreational activities.

CAAST prepares students to succeed here on earth, with a mindset to be with our Savior, Jesus Christ, throughout eternity.

OBJECTIVE

To train boys and girls to become the men and women 'who will not be bought or sold; men [and women] who in their inmost souls are true and honest; men [and women] who do not fear to call sin by its right name; men [and women] whose conscience is as true to duty as the needle to the pole; men [and women] who will stand for the right though the heavens fall.' (Ellen G. White, Education, page 57).

OUR MISSION

To be a Seventh-day Adventist school where all are encouraged to find and encounter God. (Adapted from CVAC's mission).

Christian Academy of Arts, Science and Technology (CAAST) is a co-educational high school, with a commitment to upholding the teachings, values and world-wide vision of the Seventh-day Adventist Church. CAAST provides balanced educational programs and courses, which are delivered to build and develop physical, emotional and spiritual needs of all the students.

SCHOOL SCRIPTURE: Philippians 4:4-9

Rejoice in the Lord always; and again I say rejoice.

Let your moderation be known to all men. The Lord is at hand.

Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your request be made known unto God.

And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, if there be any praise, think on these things.

SCHOOL HYMN: 'The Youth of the World for the Man of Galilee' by C. Harold Lowden.

1. We have heard Thy call Lord Jesus
And our hearts respond with joy
We will pledge Thee our allegiance
For Thy cause our all employ

Chorus: The youth of the world for the Man of Galilee!
The youth of the world from all sin and self set free
Ev'ry talent pledged in service
Now and thro' eternity
The youth of the world for the Man of Galilee!

2. Where-so-e'er Thy challenge leads us
What-so-e'er shall be the test
Only make it known dear Master
And we promise Thee our best.
3. Ev'ry talent Thou hast given
Not for hiding but for use
All our time is of Thy lending
To be spent as Thou shalt choose.
4. What-so-e'er we are or have Lord
Shall be subject to Thy will
Trust us with Thy greatest task Lord
And with pride our hearts shall thrill.

RELIGIOUS ACTIVITIES

CAAST considers worship to be an integral part of daily life. For that reason, all students are required to participate in the morning worship services for the entire school population. The leaders of each morning service will be assigned by the School Chaplin or Religious Leader. Daily dismissal prayer/worship will be done in each class, as directed by the form teacher.

ACCREDITATION

CAAST has used the Griggs International Academy (GIA) curriculum, which is accredited by the Southern Association of Colleges and Schools (SACS) Commissions on Elementary, Middle, and Secondary Schools, and Middle States Association (MSA) Commission on Elementary Schools. The GIA is also accredited by the commission on International and Trans-Regional Accreditation (CITA), the Accrediting Commission of the Distance Education and Training Council (DETC) and the Accrediting Association of Seventh-day Adventist Schools, Colleges and Universities. GIA is approved by the Maryland State Department of Education for the Kindergarten, Elementary, and High School.

After 7 years of using the GIA curriculum, CAAST then independently used the same text books as GIA. If and when an accredited official transcript was needed, we contracted with North American Regional High School (NARHS), from which the transcript would have been issued after the required fee of \$400 per year reflected on transcript is paid.

CAAST currently uses the guidelines of Christian Light Education to teach our students English, Reading, Computer Basics, and Mathematics courses. All other courses are taught from the text books from varied Home School curriculums and highly recommended high school text books. Bible is taught using the Bible as the main source with other texts as references.

STATEMENT OF PHILOSOPHY

To train boys and girls from varied cultures and backgrounds, introduce them to God and His love, mold them with God's principles ("they shall be taught of God." John 6:45), which are enveloped in educational programs that "build a foundation for service to God, church and society." (Griggs International Academy).

HISTORY

Ellsworth Cross wrote the following. This will give you an idea of how it all began.

Oshkosh, Esther, Such A Time As This 2009

This past summer more than forty thousand members of households from all across the globe gathered on Oshkosh, Wisconsin for the 'Courage To Stand' event now affectionately referred to as CTS by Pathfinders all around the world.

When the Youth Director, Pastor Black, made the charge on Sabbath morning to the largest gathering I have ever had the privilege to be a part of, he challenged us to return to our communities with the courage to stand. The nightly meetings during the Pathfinder

Camporee, used the stage to tell the story of Esther. We all left camp on Sunday thinking, 'where will it be that I too will be called upon to have 'the courage to stand', how will I know if it is for 'such a time as this'?'

Imagine a group of concerned families comprised of people like you, people who are eager to share eternity with you and the members of your family, people who are determined to do whatever it takes to make the time we have here, while we await the second advent, most productive. Now that your imagination is engaged, use a pen, keyboard, pencil, tape recorder, or any other device that will allow you to document the names of these members of the families.

By the grace of God, when school starts on August 30, 2010, it is my desire that the names you have documented will be the individuals responsible for the formation of the new high school: Christian Academy of Arts, Science and Technology (CAAST).

I can hear the noise of questioning minds, amid the joy of curious parents and chatter of impatient eighth graders.

- *Where is this new school?*
- *Who are the teachers?*
- *Will they have sports?*
- *What colleges will accept?*
- *Can we afford this?*
- *Plain clothes or uniforms?*
- *Only for Adventists?*
- *Is it accredited?*

The success of this proposed school may depend on the answers. However, it is only as we remember the way God has led us in the past, and as we ask for the 'courage to stand' at 'such a time as this', will we overcome the fear of failure and the possibility of defeat.

The first day of school: August 30, 2010, at the Connecticut Valley Adventist Church (CVAC) school house, located at 354 Foster Road, South Windsor, CT 06074.

ADMISSION

ATTENDANCE POLICY

School will be in session for 150 to 180 days, from August/September to June. Students are required to be in school for each of those days. If a child is absent, the parent is required to let the form teacher know. If the child is absent, and the form teacher has not heard from the parent, a call will be made to the parent to enquire of the student's location/status.

Punctuality is also very important. While timeliness does not affect the student's grade point average (GPA), each student will be encouraged to be on-time. If late and missed worship, the student will be responsible to review the information shared in worship and produce a written report before the end of the current school day.

Worship starts at 8am. Every student must attend the worship session. If on campus and not in attendance to worship, the student will be responsible to review the information shared in worship and produce a written report before the end of the current school day.

Classes begin at 8:30am Monday through Thursday and end at 3:30pm. No classes on Fridays. Instead, students are encouraged to serve their community. A total of 20 documented Community Service Hours should be completed each school year.

School recognized holidays and vacations are detailed on the school's calendar.

If a student is sick for 3 or more days, a completed and signed 'Absence Report Form' must be submitted to the form teacher.

If inclement weather causes poor road conditions, notification of late openings and/or closures will be sent via text messages and/or posted on WFSB (channel 3) or WTNH (channel 8).

It is very important that students do not remain on the campus after school hours, nor come to school earlier than 7:30am, unless supervised by a member of staff. The liability insurance covers students only during school and under supervision of an authorized person. For this reason, and for safety issues, all students must leave the campus on-time. Should there be an emergency, and the designated person is unable to pick up the child, the parent or designated driver needs to notify the principal or teacher of the adjusted plan.

TRANSPORTATION

Parents are primarily responsible for getting their children to school.

Students may drive their cars to school. The parent(s) would then need to complete and sign a form, which details the use of the car during school hours.

Students may ride their bicycles to school, providing the roads have proper side-walks and/or pedestrian accessible areas allowing for the bicycles.

Students may walk to school, providing the roads have proper side-walks and/or pedestrian accessible areas.

CAAST provides bus transportation for all students in need of help getting to school. The daily bus route will be determined based on the home addresses of the students. The bus will not travel from home to home, but there will be a central pick-up location.

FINANCIAL INFORMATION

PLEASE NOTE: Dollar amounts may be adjusted each academic year.

Christian Academy of Arts, Science and Technology (CAAST) is determined to educate boys and girls as economically as is possible. CAAST is a non-profit organization, and all funds are therefore used only to give to students the best that is available, with God's grace.

It has been determined that an annual fee of \$7,000 (grades 9 to 12) or \$4,000 (grades 7 and 8) is needed from each student to ensure that CAAST is fully operational. This dollar amount includes all fees: application, lab, local transportation, clubs, bands, orchestra, text books, library, graduation, and tuition.

This dollar amount does not include charges for field trips, daily transportation to and from school, uniforms (school, choir, band, etc.), lab coats, any stationary (paper, pens, pencils markers, highlighters, crayons, paint, etc), private music lessons, and music instrument rental.

At CAAST, we are sensitive to the financial status of all families. For that reason, the tuition has been reduced to **\$3,000 (grades 9 to 12) or \$2,000 (grades 7 and 8).**

To buffer this reduction, everyone is encouraged to participate in all **fundraising activities**. This is, however, a choice. If the choice is made not to participate, then the original tuition (\$7000 or \$4000) will be billed.

Registration fee: \$50 per student.

SEE FINANCIAL INTENT FORM FOR DETAILS.

Payments may be made using any of the following:

- (a) Cash App to '\$CAASTBUCKS'
- (b) Bank money order
- (c) Cashier's check
- (d) Cash
- (e) Personal check (There will be a \$50 charge for each returned check)
- (f) Online at our website www.caast-school.org.

If payments are not received by the 20th of each month, the account will be considered delinquent. Parents are encouraged to contact the School Treasurer with any concerns about payments. Arrangements will be made to help you.

Discounts: one sibling = 10%; two siblings = 15%; three or more siblings = 20%.

Financial Aid may be available. Please see the School Treasurer for details.
